

PROB 12
(Rev. 11/04)

United States District Court
for
CENTRAL DISTRICT OF CALIFORNIA

U.S.A. VS. MIGUEL SARABIA

Petition on Probation and Supervised Release (Modification)

COMES NOW LORETTA S. MARTIN, CHIEF PROBATION OFFICER OF THE COURT, presenting an official report upon the conduct and attitude of MIGUEL SARABIA who was placed on supervision by the Honorable JOHN F. WALTER sitting in the Court at Los Angeles, California, on the 10th day of July, 2006 who fixed the period of supervision at five years, and imposed the general terms and conditions theretofore adopted by the Court and also imposed special terms and conditions as noted on the attached Judgment and Commitment Order(s).

RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:

Miguel Sarabia has a history of substance abuse and is participating in our contracted drug aftercare program. Given the established relationship between substance abuse and criminal activity, controlling strategies to detect substance abuse and prompt intervention need to be continued following this transition. Drug testing is the most reliable method for monitoring drug use.

The Ninth Circuit Court of Appeals' finding in *Stephens* limits the Probation Officer to three random drug tests outside of treatment, pursuant to 18 USC 3583(d). This offender's history warrants continued monitoring.

Miguel Sarabia and defense counsel have agreed to the proposed modification and waive a personal appearance before the Court.

PRAYING THAT THE COURT WILL ORDER Miguel Sarabia, as a condition of supervision, shall submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, not to exceed eight tests per month, as directed by the Probation Officer, pursuant to 18 USC 3583(d).

ORDER OF COURT

Considered and ordered this 12 day
of March, 2008 and ordered filed

case.
